Cinema Square is the latest addition to Vicoustic's Premium Line. The panel has been specially developed for use in large areas such as classrooms, performance spaces, offices and meeting rooms, where suspended ceilings can often be a limiting factor in the choice of acoustic treatment.

Cinema Square combines acoustic efficiency with elegant appearance. The panel's wood frame is packed with optimum density acoustic foam and covered in fabric. A choice of colours is available to match room interiors. Designed to perform mainly on medium and high frequencies, Cinema Square is a cost-effective solution for both ceilings and walls (where it can also be used to good effect in improving low frequencies). It's M1 (European) fire rating makes it highly suitable for use in a variety of public spaces.

Cinema Square Tech Premium - (Vicoustic Tech Foam + EuroClass B Wood Frame): Made of Basotect® foam, it's long-term resistance to high temperatures and excellent fire characteristics are based on the use of melamine resin. The high nitrogen content of the resin is responsible for the extremely flame-resistant property of the foam without the need for fire retardants, making it particularly suitable for applications with high fire safety requirements.

- Efficient absorption
- Easy to install
- Excellent value for money
- Fabrics can be removed and washed.

#### Applications:

Listening Rooms, Home Theatres, Recording and Broadcast Studios, Post Production Studios, Performance Spaces, Rehearsal Rooms, Conference and Teleconference Rooms, Public Spaces, Auditoriums, etc.

#### Main Info

Ref: B00799  
EAN13: 5600301844058  
HS-Code: 39211310  
Dimensions: 595.0 x 595.0 x 40.0 mm  
Scratch Resistance: No  
Washable: Yes

#### Performance

Functionality: Absorption  
Absorption Frequency: High  
alpha with Shape Indicators: 0.70  
NRC: 0.750

## Technical File

Fire Class European (EN): Euroclass E  
Fire Class Germany (DIN): B1  
Fire Class France (NF P): M1

## Shipping

Units Per Box: 6 boxes  
Box Dimensions: 620.0 x 620.0 x 335.0 mm  
Box Weight: 6.2 kg

## Raw Materials

Material: Fabric, Foam  
Foam Type: Tech

## Design

Fabric Color: Black  
Edges: Angled

## Installation

Place: Wall, Ceiling  
Fixing Type: Adhesive
