A new version of the Vixagon has come to the market. With short dimensions the new Vixagon Mini Tech Premium consists of acoustic foam and a Vicoustic cover with 8 different colors, providing a wide range of applications in the aesthetic point of view. The Vixagon Mini 40 FS Premium has been specially developed to be used in restaurants, offices and meeting rooms, combining acoustic efficiency and an elegant appearance.

It is designed to perform mainly on medium and high frequencies, providing a cost-effective solution for ceilings and walls. Its M1 (European) fire rating makes it highly suitable for use in a variety of public spaces.

#### Features:

- Efficient absorption
- Easy to install
- Excellent value for money

#### Applications:

Offices and restaurants.
